Dependable and great people! I have 2 live in aides taking care of my father, they have been so compassionate and helpful. I highly recommend this agency!

—Ashley S.

I cannot say enough about Ian and the staff at Assured Senior Care, His professionalism exceeded my expectations as did his caring aides who provided me with peace of mind. Thank you.

— Sherry S.

We have used Assured Senior Care a few times to support my dad at an assisted living facility. Unfortunately when the need arises, it is always a last minute ordeal and Assured has been able to get us the help we need asap. Ian has always been accessible and communication is easy and prompt. The care givers they have sent out have been first rate. Highly recommend them.
